

Dear home-learners from class 9b,

in preparation for your voluntary test please revise the following:

1. Vocabulary: p. 183 (*fulfilling*) – p. 186 (*nevertheless*)
2. Have a look at the texts you wrote as homework on your involvement in social commitment.
3. Grammar: p. 156, *Test yourself* (solutions on p. 264, G7)

For the next English class, please read the texts on page 56 from the 'Words-of-wisdom wall' and think about answers to exercise 18, a + b on page 57.

Have fun, stay motivated and take care!
