

Dear class 9b,

it has been a long time since our last lesson and still we can't go back to school. I hope you are all well and, despite everything, had a nice Easter break and enjoyed your holidays!

This week, there will be new exercises for you dealing with job interviews. You will need your workbook and the CD 1 in the back of your workbook.

The workbook-assignments are intended as a group project in a classroom situation, which we don't have at the moment. So please ignore the respective instructions and just do the exercises.

For the last exercise (Workbook p. 35, 26b), you need a partner to conduct a job interview with. Please record it and send it to me. If this is not possible, write a script for a job interview and send it to me. The solutions for the other exercises will be online at the end of the week.

Have fun and take care!
