

Dear home-learners from class 9b,

in preparation for your lessons next week, please work on the following tasks:

1. Copy and learn the words on page 187, commitment – volunteer.
2. Think about someone who could be a role model because of his / her social commitment.
Collect information about this person and present your findings to the class. Explain why this person could serve as a role model for other people.

Have fun, stay motivated and take care!
