

Dear home-learners from class 9b,

this week's homework deals with grammar exercises:

- Textbook p. 156, *Test yourself* (solutions on p. 264, G7)
- Textbook p. 157, *Test yourself* (solutions on p. 264/256 G8)

For the next English class, please read the texts on page 56 from the 'Words-of-wisdom wall' and think about answers to exercise 18, a + b on page 57.

Have fun, stay motivated and take care!
