

Dear class 9b,

based on the text '*The cocoa controversy*' you are going to deal with summary writing in this week's tasks.

These are your assignments:

- Textbook p. 75, 3a **The parts of a summary**
Read the news article on page 53 and note down the main points in the article that you would include in a summary.
- Textbook p. 75, 3b Read a model summary of the news article and compare it with the key points you noted in 3a. Have a look at the boxes at the bottom of the page (writing skills & useful phrases).
- Textbook p. 76, 4 **Your checklist for summary writing**
For your personal checklist, please turn to page 127, 1 and copy the grid in your folder. Add more information from page 75 you consider important.
- Textbook p. 76, 5a + b **Differences in summary quality**
Read the text and note down what you find is wrong for a summary.
Refer to your checklist. You can also use the points given in 5b to evaluate the summary's quality.
Try to suggest ideas for improvement.

The solutions to your assignments will be accessible towards the end of the week.

Have fun with your tasks and take care!
